Thanks for your interest in Haro BMX products. Our product line is continually expanding and will soon feature some very important new additions. Among them: The Haro freestyle frame and forks, pads, new plates and more. Look for them in our ads this spring and during the 1982 Haro Freestyle Tour.

BOB HARO

HARO TYPE 2 PLATES Imitated but never duplicated. Clean, bold graphics available in six color combinations.

HARO SERIES 1 PLATES The newest HARO plate design. Simple, yet distinctive.

HARO GLOVES

The latest HARO design features excellent comfort and protection. Soft leather palms are flexible and durable. Knuckle pads offer extensive coverage to protect the back of the hand. Velcro strap wraps around the cuff to keep dirt out. Blue/White only.

HARO HANDLE

The ultimate two-finger brake lever is now better than ever. Reinforced for added strength and less flex. The HARO HANDLE now provides better braking response than ever.

HARO VISORS

Another new product in the expanding line of Haro BMX components. Bold, clean graphics set these visors ahead of

THE NUMBER ONE PLATE

Haro plates are the original factory racing plates. Haro plates are made from the finest materials available and feature several important items not found on other competitive products. Be sure to look for the HARO hot stamp on the back of all the new Haro plates. This is your guarantee that you have the original Haro plate.

Haro plates offer the only built-in velcro fastening system. Simply wrap the strap around the bars and secure the molded area by the grips with plastic ties.

All Haro plates are designed to fit up to four numbers across. So whether your number is 1328 or 1 there's a Haro plate for you.

HARO SHIRTS Stylish and functional, these shirts are now available in many color combinations. T-Shirts and jerseys feature bold graphics in several designs. Available in boys sizes small, medium and large. Mens in small, medium, large and extra large.

HARO GEAR BAGS

Another new product from HARO. Strong and lightweight, these bags carry everything you need including your bike.

HARO PANEL COVERS

Available for novice and pro riders. Panel covers fit easily over existing Haro plates and feature excellent durability.
